Our guide to hot sites: For Tuesday, February 3, 1998.
New sites every weekday, with an expanded weekend edition.

[Lemon Laws](#)

Does your car have a strange yellow tint -- like a lemon, maybe? Drop by Autopedia, which helps inform you about lemon laws in various states.
http://www.autopedia.com/html/HotLinks_Lemon.html

[Internet 100](#)

Silicon Alley Reporter presents its Top 100 Internet executives, including "Ed the Intern." And you don't have to catch the shuttle to Silicon Alley to check it out. <http://www.siliconalleyreporter.com/sar100/>

[Online Kiss](#)

Get ready to pucker up for Valentine's day by sending some e-kiss to your friends.
<http://www.thekiss.com/>

[Serious Sport](#)

If, say, cribbage is your type of physical activity, you may not want to drop by the aptly named SeriousSports.com. The site wants to let you click your way to an adventure.
<http://www.serioussports.com/>

[Magazines Galore](#)

The Electronic Newsstand boasts that it's the "ultimate magazine source." A new look offers clean, quick access so you don't get too overwhelmed. <http://www.eneews.com/>
